The first system of musical notation for 'Maggiore' is written on a single staff in treble clef with a key signature of three sharps (F#, C#, G#). The piece begins with a repeat sign. The notation includes various rhythmic values, including eighth and sixteenth notes, and rests. There are several slurs and ties. Above the staff, there are some markings: '4' above the first measure, '0' above the second measure, and 'V V' above the fifth measure. Below the staff, there are some markings: '4' below the first measure, '4' below the second measure, and '4' below the sixth measure.
